**SUPPLEMENTAL AMENDMENT ACCOMPANYING
REQUEST FOR CONTINUED EXAMINATION
and Petition for Extension of Time**

Dear Sir:

In connection with the above-identified application and the Request for Continued Examination filed herewith, and the Office notice mailed 24 September 2002 that the amendments did not appear in a clean version, for which the undersigned apologizes, the period of time for response being extended one month to 24 November 2002 by the Petition at the end of this paper, please first amend the subject application as follows, the amendments being shown in marked-up form in the attached appendix.

IN THE CLAIMS:

10. (Thrice amended.) An electronic device comprising:
a stationary electromagnetic interference suppressing body for suppressing electromagnetic interference due to external and/or internal presence of electromagnetic waves, said stationary electromagnetic interference suppressing body comprising an organic binding agent layer and a soft magnetic powder dispersed through said organic binding agent layer, and further comprising a heat conductive but electrically insulating powder dispersed through said organic
